

CSC-383 Fall 2008

Assignment #1

Due Sep. 10, 2007

1. Principles of Testing:

- a. Choose 2 of the 7 software testing principles and write $\frac{1}{2}$ page on each of them. Please discuss in your words what the principle states, and why you think it is important. (NOTE: single space, 12 pt font, 1 inch side margins, 1.5 inch top and bottom margins)
